

Becky Austin, CCIS
Operations & Project Manager

Becky has spent 18 years at SIGMA, serving in a variety of roles throughout her tenure. She began as a software developer and, over time, expanded her focus to overseeing the company's IT functions and general operations. Becky is also part of the RISK66 support team, where she enjoys collaborating with clients and working alongside the team to continuously improve SIGMA's products. Becky's contributions to RISK66 earned her Captive International's 2024 Highly Commended Technology Product Individual award. She also received the Certified Cyber Insurance Specialist certification in 2024 from Cyber Insurance Academy. She holds a BS in Computer Science from the University of North Alabama.
